Map of the Mer Rouge Quadrangle, Louisiana-Morehouse Parish. The map includes contour lines, national elevation dataset from 2010, and imagery from NAIP in January 2010. It also shows local roads, state routes, interstate routes, and FS high clearance routes.

The map covers an area with constant data from 2010 and is useful for identifying various geographical features and road information. It is produced by the U.S. Department of the Interior, U.S. Geological Survey.
