Mapped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA
Orthophotomap prepared from high-altitude aerial photograph taken March 2, 1975. Topography by planetable surveys 1980
Supersedes Johnsons Bayou map dated 1934. Map edited 1982
Selected hydrographic data compiled from NOS Chart 11341 (1980)
This information is not intended for navigational purposes
Projection and 10,000-foot grid ticks: Louisiana coordinate system, south zone (Lambert conformal conic)
1000-meter Universal Transverse Mercator grid, zone 15
1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 20 meters south and 18 meters east as shown by dashed corner ticks
All or part of this quadrangle lies within a subsidence area
There may be private inholdings within the boundaries of the National or State reservations shown on this map
Where omitted, land lines have not been established or are not shown because of insufficient data

UTM GRID AND 1982 MAGNETIC NORTH DECLINATION AT CENTER OF SHEET
