Mapped, edited, and published by the Geological Survey

Control by USGS, USC&GS, USCE, and Louisiana Geodetic Survey

Planimetry by photogrammetric methods from aerial photographs taken 1962. Topography by planetable surveys 1963

Polyconic projection. 1927 North American datum
10,000-foot grid based on Louisiana coordinate system, south zone
1000-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue

Where omitted, land lines have not been established

To place on the predicted North American Datum 1983 move the projection lines 19 meters south and 12 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map

All or part of this quadrangle lies within a subsidence area
