Produced by the United States Geological Survey

Topography compiled 1977. Planimetry derived from imagery taken 1998 and other sources. Public Land Survey System and survey control current as of 1974. Boundaries current as of 2002

Selected hydrographic data compiled from NOS/NOAA Chart 11349 (1976)
This information is not intended for navigational purposes

North American Datum of 1983 (NAD 83). Projection and 1 000-meter grid: Universal Transverse Mercator, zone 15R
10 000-foot ticks: Louisiana Coordinate System of 1983 (south zone)

North American Datum of 1927 (NAD 27) is shown by dashed corner ticks. The values of the shift between NAD 83 and NAD 27 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Houses of worship, schools, and other labeled buildings verified 1974

This quadrangle covers a subsidence area
