Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Planimetry by photogrammetric methods from aerial photographs taken 1961. Topography by planetable surveys 1938. Revised 1962

Polyconic projection. 1927 North American datum
10,000-foot grid based on Louisiana coordinate system, south zone
1000-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue

Where omitted, land lines have not been established

To place on the predicted North American Datum 1983 move the projection lines 19 meters south and 10 meters east as shown by dashed corner ticks

All or part of this quadrangle lies within a subsidence area

Revisions shown in purple and woodland compiled from aerial photographs taken 1978. Map edited 1980
This information not field checked
