Planimetry by photogrammetric methods from aerial photographs taken 1963. Topography by planetable surveys 1964

Selected hydrographic data compiled from USC&GS Charts 1050 (1962) and 1275 (1962). This information is not intended for navigational purposes

Polyconic projection. 1927 North American datum
10,000-foot grid based on Louisiana coordinate system, south zone
1000-metre Universal Transverse Mercator grid ticks, zone 15, shown in blue

Where omitted, land lines have not been established or are not shown because of insufficient data

To place on the predicted North American Datum 1983 move the projection lines 20 meters south and 10 meters east as shown by dashed corner ticks
