Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Orthophotomap prepared from high-altitude aerial photograph taken November 13, 1974. Topography by planetable surveys 1977
Map edited 1979. Supersedes Grand Lake East NW planimetric map dated 1932

Projection and 10,000-foot grid ticks: Louisiana coordinate system, south zone (Lambert conformal conic)
1,000-meter Universal Transverse Mercator grid, zone 15
1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 19 meters south and 15 meters east as shown by dashed corner ticks

All or part of this quadrangle lies within a subsidence area

Where omitted, land lines have not been established or are not shown because of insufficient data
