Mapped, edited, and published by the Geological Survey
in cooperation with State of Louisiana
Department of Public Works

Control by USGS, USC&GS, and Louisiana Geodetic Survey

Planimetry by photogrammetric methods from aerial photographs taken 1962. Topography by planetable surveys 1962–63

Polyconic projection. 1927 North American datum
10,000-foot grid based on Louisiana coordinate system, south zone
1000-meter Universal Transverse Mercator grid ticks,
zone 15, shown in blue

Where omitted, land lines have not been established

Fire red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
