Mapped, edited, and published by the Geological Survey

Control by USGS, USC&GS, and USCE

Topography by photogrammetric methods from aerial photographs taken 1967. Field checked 1970
Supersedes Wilson Point map dated 1909

Polyconic projection. 1927 North American datum
10,000-foot grids based on Mississippi coordinate system, west zone and Louisiana coordinate system, north zone
1000-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

To place on the predicted North American Datum 1983, move the projection lines 12 meters south and 10 meters east as shown by dashed corner ticks
